

The Perrysburg Chorale is celebrating our 30th year of making music!

The Perrysburg Chorale is a 501(c)3 non-profit organization and is an all-volunteer group of individuals who love to sing. We have a very exciting 2024-2025 concert season planned. This season our venues include the Way Public Library, All Saints Catholic Church, First Church Perrysburg, Perrysburg Junior High School, St. Rose Catholic Church, Toledo School for the Arts, and the Valentine Theatre.

We are funded through members' dues, fundraising activities, donations, program ads, and sponsorships from local businesses and community members. These funds allow the Chorale to purchase music, pay for our quality director and accompanist, cover performance venue costs, and most importantly offer our concerts *free of charge* to our community.

There are many ways to help support the chorale. Please check which level you would like to contribute:
